All-

It appears that we will be unable to coordinate a meeting with the TFC, TRS and the Sub-Committee this week. Please provide any information regarding your ideas on a future structure of emergency services and the Township in writing by Sunday, Jan 30.

If you have ideas on a 5-year and 10-year long range plan for your respective organizations, that would be helpful as well.

We had great dialogue at our previous meeting and are very encouraged and appreciative of your willingness to participate in this fact-finding exercise.
